

Rule of the game n°1

Two players
minimum!

- 1 dice with letters and 1 dice with points/dots

For each player:

- 1 sheet of paper (grey or white)
- 1 pencil

In turn, each roll the two dice.

Write what is requested as many times as the number of points displayed.

Count the number of successful reproductions.

The first player who gets 20 points wins the game.

You have
succeeded if

- You fold and unfold your thumb.
- You're not lifting your pencil.
- You respect the height of shapes.
